

## Made-to-order Column Radiators by Runtal: R Series

- Ideal for floor-to-ceiling applications
- May be used as balustrade or knee-wall

Runtal column radiators are ideal for floor-to-ceiling applications and may also be used as a balustrade or knee-wall. Column radiators allow a view out. They may be either wall-mounted, or pedestal-mounted, away from the wall. They are available in lengths from 6 inches to 20 feet. Ten standard colors as well as an array of designer colors are available.

Available from 6 inches to 20 feet in length
